Re: Chemical Recovery Systems Site - Elyria, Ohio

Dear Mr. Nash:

Please accept this letter as notice of Tecumseh Products Company's acceptance of the offer of settlement from the United States of America based upon a payment of Five Hundred Dollars (\$500.00), consistent with, and subject to the terms of the proposed Consent Order enclosed in your letter of December 20, 2002. Enclosed are three original signature pages for the Consent Order, signed by Todd Herrick, President and CEO of Tecumseh Products Company. In accordance with your letter, I will await notice of submission and approval of the Consent Order, and at that time, I will forward Tecumseh Product Company's check in payment of the settlement amount.

Thank you very much for your efforts in resolving this matter, and I invite you to contact me if you have any questions, or if you would like anything further done in connection with concluding the settlement.

Very truly yours,

DEAN & FULKERSON P.C.
